Instructions

This discussion guide is to help you facilitate a conversation with your small group. The “Getting Started” section serves as a quick opener and introduction to the group conversation. In the “Talk it Over” section, feel free to use all or only some of the questions. Our hope is to have meaningful conversations around God’s Word, not simply answer all the questions. Finally, the “Live it Out” section is to help identify a specific next step. Use these questions as a guide to find practical ways to apply the passage to our everyday life.

Getting Started

- How did you see God at work in your life this week? How can we pray for you this week?

Talk it Over

- What stood out to you the most about this week’s message? What verse or passage was most meaningful and why? Where else do you see these truths in Scripture? What challenged you? What prompted questions?
- As you reflect on the message, what did you learn about who God is? What is one thing you learned about yourself? What is one way the message revealed our need for Jesus and what Jesus has done on our behalf? What do you believe is the main “take away” from this week’s message for your own life?
- Who in your life right now could use the encouragement you heard this week? How can you best communicate the truth of God’s Word you heard today to them?

Live it Out

- What is one specific step of obedience you know you need to take this week?
