Have someone in your group read aloud the key passages listed above

- 1. Over the past few weeks, we have been talking about finding God's Will for your life. Pastor David has talked about 3 "poles" that should line up when you are seeking to find God's will. What are they? Which week brought the most clarity to you? Which week was the most challenging? How have you been challenged in each (or any) of these areas?**
- 2. If you have been participating in the daily Scripture text messages, what is one verse that stood out to you and why?**

Leader Context (Not to be read aloud):

Pastor David has used a story told by Dr. Charles Stanley that tells how in ships in a particular Caribbean Sea port had to line up 3 poles exactly to "hit" the center of the port correctly and arrive safely. As believers, 3 "poles" that we can look to when finding God's will are:

1. The Word of God
2. The Witness of the Holy Spirit
3. Godly Counsel

- 3. What is one decision you are trying to make today? How have you been encouraged during this sermon series to consider the Word of God, The Witness of the Holy Spirit, or Godly counsel?**

Leader Context (Not to be read aloud):

If one or two people in your group are willing to share their story, after they are finished ask the group what they think. Take the time for your group members to offer Godly counsel and when the discussion is complete, pray on the spot for the person who shared.

1. **What is one takeaway from the Finding God's Will Series that you will remember?**
2. **Is there one step you can take this week to align with God's Will? Is there something you need to do or stop doing to hear God's Voice more clearly?**
