Believe:

- **Read 2 Timothy 4:1-5**
- As you listen to this passage, what stands out to you?
- Who does Paul tell Timothy is the ultimate judge? Why do you think Paul feels the need to remind Timothy of this truth?
- What are the 5 action verbs Paul uses? Briefly explain what each one means.
- **Read 2 Timothy 3:16-17**
- Why is the Word useful to Timothy? What does it do in our lives?
- If Timothy is faithful to do what Paul says to do, what should He expect to happen?
- As you have personally shared the Gospel (or preached the Word) in your family, at work, or among your friends, what happened? Did you see something similar as Paul warned Timothy?
- Explain what you think it means for someone to have "itching ears"? Does it surprise you that this was happening in the early church? How do you see this happening now? What is the answer to this issue?
