

What is your biggest takeaway from today's message?

DISCUSSION GUIDE

Instructions

This discussion guide is to help you facilitate a conversation with your small group. The “Getting Started” section serves as a quick opener and introduction to the group conversation. In the “Talk it Over” section, feel free to use all or only some of the questions. Again, our hope is to have meaningful and encouraging conversations around the passage used in the sermon, not simply answer all the questions. Give each member of your group opportunity to respond. Take your time. Finally, the “Live it Out” section is to help identify a specific next step. Use these questions as a guide to find practical ways to apply the passage to our everyday life.

Getting Started

- ▼ What were some highlights for you this past week? What is one area of your life that God is working on right now? How can the group pray for you?

Talk it Over

- ▼ What stood out to you in this week’s message? What challenged you? What prompted questions? What part of the message resonated with you the most?
- ▼ As you reflect on the message, what is one thing you were reminded about who God is and how He works? What is one thing you might have learned about yourself? What is one way you became more aware of what Jesus has done for us in his life, death, burial, and resurrection?
- ▼ What was the most practical insight? What is one step you can take this week to apply what you heard?

Live it Out

- ▼ Who is one person this week you believe God is calling you to pray for specifically this week? Is there a need the group can join with you in prayer?
