

THIS WEEK!

MVMT STUDENTS

01/29/23 - 02/04/23

GENERAL UPDATES

• Surge Weekend 2023

- Surge is only 2 weeks away and we're eagerly counting the days until we're finally there! God has some big things in store for your students this year, and our team doesn't want them to miss out on the ways He's going to move during Surge. Surge is our annual student conference that will give your student a great opportunity to ignite their faith or reconnect with Jesus like never before, and we can't wait to walk alongside them for this journey.
- Surge Weekend 2023 takes place from **Feb 10-12 at First Orlando, John Young Campus**. The overnight portion of the event will be held at the **Westgate Lakes Resort and Spa**.
- If you still haven't signed up yet, visit our [Surge Weekend Webpage](#) for a more detailed description.
- If your student is already registered, please make sure you have completed our [2023 Medical Consent and Release Form](#). This is absolutely necessary for every student who attends Surge.

• NO MIDWEEKS 02/08/2023

- The week before Surge is always a busy one, as families prepare to send their students on an amazing weekend-long experience. Because we want to give students a chance to get ahead on homework, finish packing, and spend some time with their parents, we will be taking next Wednesday, Feb 8, off. There will be NO MIDWEEKS for either Middle School or High School on Feb 8. Please do not come to the church campus or any of your respective City Group locations next week.
- Encourage your students to spread the word about next week's night off. Some of our families don't follow our communication well and may miss

HIGH SCHOOL

• Last Week of *Lies We Believe*

- We would love to have your High School Student join us this weekend for the last week of our series *Lies We Believe*. We want to walk through life with God's truth in our hearts, and the first step to that is breaking down the lies that the world puts in front of us. We'll be wrapping up this series this weekend, so make sure your student is there!

MIDDLE SCHOOL

• Midweek Treat

- The weather is heating back up, but your Middle School student can come chill with us at Middle School Midweeks with a cool treat. After service this Wednesday night, we will have some ice cream and popsicles for your students! Bring them over to our John Young campus for our MS Midweek this week!
