

THIS WEEK!

MVMT
STUDENTS

11/20/22 - 11/26/22

GENERAL UPDATES

- **No Wednesday Night Services**

- We are so thankful for all of the growth we have seen over the past few months at our Wednesday Night Gatherings (MS Midweeks and City Groups). As we approach the spring semester, we want to remind you that we will NOT be meeting for the next couple months. We want to give you all time to celebrate the holidays with your families while we prepare to make next semester even better than this one!

- **Surge Weekend 2023 Registration is Open!**

- We cannot wait for Surge 2023, and we were so excited to announce registration opening last week! Our first 100 spots are already 75% filled, so if you are hoping to take advantage of that great \$99 deal, you'll need to act fast! Only our first 100 students will pay \$99; after that, the price will jump to \$135!
- For more information on Surge 2023, please visit our [Surge 2023 Webpage!](#)

HIGH SCHOOL

- **A Look at Philippians**

- This Sunday, we will be continuing our study through the book of Philippians, and we want you to be a part of your student's journey! We have sent them home with journals to help them write down their thoughts this week as they read through Philippians 1:12-30. Our team encourages you to read alongside your student to help them dissect what God is speaking to them through His Word!

- **NO CITY GROUPS**

- We want to remind you that our City Groups will not be meeting for the rest of the Fall! Have a Happy Thanksgiving!

MIDDLE SCHOOL

- **Week 3 of Halo**

- As we approach the Christmas season, we will be continuing through our *Halo* series. God tells the story of Jesus' birth in a very specific way in His Word, and we want to break that down for our Middle School Students!

- **Focus Journals**

- Earlier this semester, your student was given a journal to help them lean into the ways that God is working in their lives. Each week, we have challenged them to work through a specific topic in their journal, and this week's topic is *Weekly Reflection*. We want your student to be able to articulate how God is working in their lives on a weekly basis, and we encourage you to walk alongside them in that!
