

# THIS WEEK!

# MVMT STUDENTS

05/30/23 - 06/04/23

## GENERAL UPDATES

### Summer Kickoff Sunday

- School is out and it's hot enough outside to fry an egg on the sidewalk, so you know what that means....Summer is finally here! That's why First Orlando is having a summer kickoff party this **Sunday, June 4th!** We'll be celebrating in MVMT by having a very special Sunday morning full of fun to get your students hyped for the summer!
- Instead of our normal Sunday service, we want to create an opportunity for our small group leaders to connect with your students and build excitement for all the amazing events we have planned throughout the summer. This week's service will have a rotation of fun games for each grade group along with some great summer snacks. We want to see your student there, so encourage them to invite a friend and bring them to either our 10am or 11:30am service this Sunday!

### Level-Up Weekend

- Each year, we have the opportunity to celebrate with our students as they move up into the next grade, and this year, we're so excited to watch our students *level up* once more! In order to follow your student's journey through middle and high school, they will be moved up to the next grade in our church-wide database on June 11. So, why is this important for your student? Well, after they get promoted to the next grade in our system, they will officially be recognized as being in that grade level here at First Orlando! This means a new group number on Sunday mornings and, depending on their rising grade, new grade-specific events/activities.
- **Sunday, June 11** will look a little different than normal. In the lobby, we will have donuts for your student and some fun games for them to enjoy! Once we start service, we'll have some special activities planned for them to help them connect with any new students and talk through their expectations for their new grade!

### Serve the City 2023

- We can barely believe it, but Serve the City registration is already 25% full! This is one of our favorite events of the year, because students don't just get to hear the gospel, they get to live it out too. We want your student to join us, so make sure to sign them up while there's still space!
- If your student is interested in joining us for Serve the City 2023, please complete our [Serve the City 2023 Registration Form!](#)

### Camp Orlando 2023

- We've been waiting for it all year, but summer has finally arrived! That means days at the beach, lounging by the pool, and countless other types of fun in the sun. But the most exciting thing of all in the next couple months is definitely Camp Orlando! It's been so hard waiting all year for Camp, but we're so close we can almost taste it! Camp is a week full of Holy Spirit-led worship, friendship-building discussion, and indescribable fun! We want your student to experience all of this along with us this year, so get them signed up today by visiting our [Camp Orlando Webpage!](#)
