## GENERAL UPDATES

### • Surge Weekend 2023

- Surge Weekend is almost here, and we're counting down the days until it's finally time to party once again! This weekend will be one of the best of the year for so many students, and we want to ensure it holds a lasting impact in their hearts.
- If you haven't already, make sure to sign up by Jan 29 when our late registration price takes effect. Our normal price of \$135 is still active, but it will jump to \$175 on Jan 30 at midnight. We are now over 50% full, so sign up while spots remain!
- Check out our [Surge Weekend Webpage](#) to sign up and find all the information you will need leading up to Surge!

### • Volunteer Opportunities

- At MVMT, we think one of the best ways to look more like Jesus is to serve like Him. If you would like to join us in leading the next generation to grow and mature in their relationship with God, fill out our [MVMT Volunteer Interest Application](#) to let us know!

## HIGH SCHOOL
