

# JESUS IS

John 11:25

Week of March 31, 2024

## BELONG

**Ask this Ice Breaker Question:** Have you ever experienced a time when you felt hopeless or in despair? Do you feel that you handled it well or do you wish you would have handled it better?

## BELIEVE

**Have someone in your group read aloud: John 11:25.**

**Ask these questions to prompt group discussion:**

- 1. Jesus says, "I am the resurrection and the life" but has not been resurrected yet. He is about to raise Lazarus from the dead. In a sense, he is calling his shot. What do you think it says about Jesus that He is the kind of God who previews His plans to His people?**
- 2. Resurrection is broadly applied. Jesus not only resurrects dead people, he also resurrects dead things, dead dreams, and dead ideas. Resurrection means that Jesus brings new life from death. What is one area of your life where you might want to see resurrection occur?**
- 3. This is the only I AM statement where Jesus asks us to believe in Him. In verse 27 Mary affirms that Jesus is the resurrection. Why do you think Jesus wants us to not only acknowledge His character, but to believe in Him?**

## BECOME:

- 4. How can reflecting on Jesus as the resurrection and the life bring hope and comfort to you during difficult times?**
