

# WORLD CANCER PRAYER DAY

Thursday, February 4

## LET US PRAY FOR

- a cure
- those struggling with cancer
- the caregivers
- the medical workers
- the researchers
- that in all this, God would be glorified

About 8 million people die from cancer each year, according to the World Cancer Research Fund. On this day we join in silent prayer and anointing to remember those touched by cancer, and ask our Father for guidance in finding a cure.
